By combining **traditional foundation** for precise coverage with **airbrushing** for a lightweight, radiant finish, this method ensures your makeup looks perfect, feels natural, and lasts all day. It offers the luxury of impeccable beauty tailored just for you.

Why is the bridal service more expensive?

We assign a specialized bridal artist with **extensive experience** to ensure a flawless look throughout the day, using **top-quality techniques** and **products**. Each member of your group receives a disposable **touch-up kit**, and we also provide makeup for the bride's chest and décolletage. We offer **personalized attention** and support throughout the planning process to ensure a smooth experience on your wedding day, and we provide a **lower price** for bridesmaids compared to regular services.

Can I schedule just the bridal trial?

You cannot book just the bridal trial. We need to schedule the artist for **both dates** since the focus is on your **wedding day**. If you only book the trial, the artist may be assigned to another wedding on that date. To ensure the same artist is available for your wedding day as for the trial, both services must be booked **together**. If you're not completely satisfied with your bridal trial, we can offer an additional one for a minimal fee. We're here to help you feel incredible!
